OPBOUW VAN DE MOOCS

ACADEMY MOOCS

- **Self-paced**, small dose of knowledge
- A place for building a **professional community**
- Content is there to **stimulate reflection and discussion** - not to “deliver teaching”
- Course instructors (moderators) are there to **animate, moderate and curate** discussions, resources, etc. - not to “instruct”
- Activities are designed for **self-reflection, peer exchanges** and production of “useful” course **product**

**MOOC FOR TEACHERS STARTS
29 OCTOBER 2018**

SCIENTIX
The community for science
education in Europe

European
Schoolnet
Academy

The work presented in this MOOC has received funding from the European Union's H2020 research and innovation programme – project Scientix 3 (Grant agreement N. 730009), coordinated by European Schoolnet (EUN). The content of the MOOC is the sole responsibility of the organiser and it does not represent the opinion of the European Commission (EC), and the EC is not responsible for any use that might be made of information contained.

European
Schoolnet
Transforming education in Europe

European
Union

The poster features five diverse children in school uniforms. From left to right: a girl pointing upwards, a girl with arms crossed, a boy with arms crossed, a boy wearing a yellow hard hat and holding a clipboard, and a girl holding a rolled-up document and glasses. The background is a light blue globe.

Aim: Connect Science, Technology, Engineering and Mathematics (STEM) classes with “real life” and help teachers integrate real-world problems into their STEM lessons and practices.

Start: 29 October 2018

RERUN: EUROPEANA IN YOUR CLASSROOM (EN)

Aim: Improve your **understanding** of **cultural heritage** in order to efficiently integrate cultural heritage into your lessons and practices, **regardless of the subject you usually teach.**

Start: January 2019

“YES I CAN” – EMPOWERING STUDENT LEARNING

Aim: enable teachers to support their students to connect better learning taking place in formal, non-formal and informal learning contexts.

During the course, teachers will learn how to use personalized and collaborative learning as teaching approaches to empower their students in their learning.

Start: 21 January 2019

BLOOM

The logo for 'bloom' is displayed on a green rectangular background. The word 'bloom' is written in a lowercase, rounded, sans-serif font. The letter 'o' in the middle is a solid dark blue circle, while the other letters are outlined in dark blue.

bloom

Aim: present and explain what bio economy is and the use of five STEM teaching resources on bio economy

Start: March 2019

Lesmateriaal

Cursuscatalogus

Lesmateriaal

- Een keur aan lesmiddelen ontwikkeld door deelnemers aan de online cursussen, eTwinning leerkrachten, instituten binnen de Europese Unie en andere projecten gefinancierd door de Europese Unie
- Pan-Europese samenwerking tussen leerkrachten ondersteunen
- Beschikbaar in meerdere talen

The screenshot shows the website for Education for Democratic Citizenship and Human Rights Education (EDC/HRE). The main header is blue with the title 'Education for Democratic Citizenship and Human Rights Education (EDC/HRE)'. Below the header, there is a navigation menu with 'at we do', 'Resources', and 'Multimedia'. A large orange box on the left side of the page is labeled 'Editor's pick'. The main content area features a large image of the European Union flag with the text 'Strengthening Education for Democracy' and a date '11-12 February 2016'. Below this, there are two main sections: 'Charter on Education for Democratic Citizenship and Human Rights Education' and 'Charter for All'. The 'Charter for All' section includes a sub-section 'Democracy and Human Rights Start with Us - Charter for All' and a sub-section 'Five filmed animations'. On the right side of the page, there are three smaller sections: 'VACANCIES', 'LATEST UPDATES', and 'USEFUL LINKS'. The 'VACANCIES' section has a call for expression of interest for consultancy services. The 'LATEST UPDATES' section features 'Teaching Controversial Issues'. The 'USEFUL LINKS' section is currently empty.

Online cursussen

- In 2018 vijf cursussen die verschillende onderwerpen besloegen:
 - Leren in een museum: maart 2018
 - Het eerste jaar lesgeven overleven: maart 2018
 - Taalonderwijs: september 2018
 - Speciale onderwijsbehoeften ondersteunen in alle klaslokalen: oktober 2018
 - Open eTwinning: november 2018
- Nieuw programma begin volgend jaar

Current and upcoming courses

Supporting Special Educational Needs in Every Classroom

Aim: course aims at providing teachers a better understanding of the topic and shows how with simple changes teachers can make their teaching and their classroom more inclusive. Furthermore, it aims to help teachers to identify strategies to get the additional support they need.

Start: 15/10/2018

End: 21/11/2018

Open eTwinning: Project-Based Learning and the Community for Schools in Europe

Aim: learn about eTwinning and how it can help you to design a project-based learning experience for your students in cooperation with colleagues across Europe and beyond. During the course, you will learn about the principles of project-based learning and how to start a project in the eTwinning community.

Start: 05/11/2018

End: 13/12/2018

Erasmus+ funding opportunities for schools - 2018 edition

Aim: learn more about the **Erasmus+ programme framework**, and to get inspired by **concrete examples of school education projects**. On this course, you will also find information on how to link your **whole-school approach** to the funding application, and how to use the School Education Gateway's **Erasmus+ Tools** to support the application process.

Start: 12/11/2018

End: 19/12/2018
